

FLAT GABLE TRELLIS SYSTEM
RANGE #OVS-FGS

PART	PART #	PART NAME	GENERAL DSCRIPTIONS
CENTRAL KIT	OVS-CBR OVS-CTL OVS-CTR PST-FEU140/CEU113 ANC-FEU140/CEU113 OVS-WEXTEN FST-BNW	Central cross arm bottom left Central cross arm bottom right Central cross arm top left Central cross top top right Line post anchor plate Wire extension Bolts/nuts/washers set	High tensile steels Holes/slots/slashes for easy wire management Varied gauge for different strength conditions Custom sizes for certain system design Varied coating for different weathering conditions Hot rolled black/Z120/Z180/Z275/Tri-Layer Coating
END KIT	OVS-ECH OVS-ECL OVS-ECR PST-FEU132/CEU113 ANC-FEU132/CEU113 FST-BNW	End cross arm horizontal End cross arm left End cross arm right End line post End post anchor plate Bolts/nuts/washers set	High tensile steels Holes/slots/slashes for easy wire management Varied gauges for different strength conditions Custom sizes for certain system design Varied coating for different weathering conditions Hot rolled black/Z120/Z180/Z275/Tri-Layer Coating
END ANCHOR KIT	ANC-EE ANC-CA6 FST-SHK FST-SSHK	Screw in earth anchor Aircraft cable anchor S hook SS hook	Complete assembly of tie back anchor set High tensile strength Complete hardware for easy installation
WIRING KIT	WR-W# WM-LOK WM-LINK WM-ESTN	Steel trellis wire Wire lock Wire link Wire strainer	Wide range of wire gauges/coating/strength as per our Wire Range Flyer Complete hardware for high tensile wire solution
